due deliberation and sufficient cause appearing therefor, it is hereby ORDERED:

1. The Application is granted as set forth herein.
2. In accordance with Bankruptcy Code section 1103, the Committee is authorized to employ and retain FTI as its financial advisor effective as of December 22, 2022 on the terms set forth in the Application, as modified by this Order.
3. FTI shall apply for compensation for professional services rendered and reimbursement of expenses incurred in accordance with Bankruptcy Code sections 330 and 331, the applicable Bankruptcy Rules, the Local Rules of this Court, including Local Rule 2016-2, the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Docket No. 435], and any other applicable orders entered by the Court.
4. Notwithstanding anything in the Application or any supporting declaration to the contrary, FTI shall seek reimbursement from the Debtors' estates for its engagement-related expenses at the firm's actual cost paid, subject to the limits set forth in Local Rule 2016-2(e). In the event that, during the pendency of these chapter 11 cases, FTI seeks reimbursement of any legal fees, and/or expenses related to the Application and the preparation of future fee applications as approved by the Court, the invoices and supporting time records from such attorneys shall be included in FTI's fee applications and such invoices and time records shall be in compliance with Rule 2016-2(f) of the Local Rules of this Court, and shall be subject to the U.S. Trustee Guidelines and approval of the Bankruptcy Court under the standards of sections 330 and 331 of the Bankruptcy Code, without regard to whether such attorney has been retained under section 327 of the Bankruptcy Code and without regard to whether such attorney's services satisfy section 330 (a)(3)(C) of the Bankruptcy Code; provided, however, that FTI shall not seek reimbursement of any fees or costs arising from the defense of its fee applications in these chapter 11 cases.

5. The following indemnification provisions are approved:

- a. subject to the provisions of subparagraphs (b), (c) and (d) below, the Debtors are authorized to indemnify, and shall indemnify, FTI for any claims arising from, related to, or in connection with the services to be provided by FTI as specified in the Application, but not for any claim arising from, related to, or in connection with FTI's performance of any other services other than those in connection with the engagement, unless such services and indemnification therefor are approved by this Court; and
- b. FTI shall not be entitled to indemnification, contribution or reimbursement pursuant to the Application for services, unless such services and the indemnification, contribution or reimbursement therefore are approved by this Court.
- c. The Debtors' estates shall have no obligation to indemnify FTI, or provide contribution or reimbursement to FTI, for any claim or expense to the extent it is either: (i) judicially determined (the determination having become final and no longer subject to appeal) to have arisen from FTI's gross negligence, willful misconduct, breach of fiduciary duty (if any), bad faith, or fraud; (ii) for a contractual dispute in which the Committee or the Debtors allege breach of FTI's contractual obligations, unless the Court determines that indemnification, contribution or reimbursement would be permissible pursuant to applicable law or (iii) settled prior to a judicial determination as to the exclusions set forth in clauses (i) and (ii) above, but determined by this Court, after notice and a hearing, to be a claim or expense for which FTI should not receive indemnity, contribution or reimbursement under the terms of the Application, as modified by this Order.
- d. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these chapter 11 cases (that order having become a final order no longer subject to appeal) and (ii) the entry of an order closing the chapter 11 cases, FTI believes that it is entitled to the payment of any amounts by the Debtors' estates on account of the indemnification, contribution and/or reimbursement obligations under the Application (as modified by this Order), including without limitation, the advancement of defense costs, FTI must file an application therefor in this Court, and the Debtors' estates may not pay any such amounts to FTI before the entry of an order by this Court approving the payment. This subparagraph (d) is intended only to specify the period of time under which this Court shall have jurisdiction over any request for fees and expenses by FTI for indemnification, contribution and/or reimbursement, and not a provision limiting the duration of the obligation of the Debtors' estates to indemnify, or make contributions or reimbursements to, FTI. All parties

in interest shall retain the right to object to any demand by FTI for indemnification, contribution and/or reimbursement.

6. FTI shall provide ten (10) days' notice to the Debtors, the U.S. Trustee, and the Committee in connection with any increase in the hourly rates listed in the Application. The U.S. Trustee, the Committee, and the Debtors retain all rights to object to any rate increase on all grounds, including, but not limited to, the reasonableness standard provided in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code.

7. Within fourteen (14) days (or as soon as reasonably practical thereafter) after any qualified bid deadline in these chapter 11 cases, FTI will disclose through a supplemental declaration the identities of all bidders not disclosed prior to entry of this Order and the connections of FTI to such potential counterparties.

8. Notwithstanding anything in the Application or the supporting declaration to the contrary, to the extent that FTI uses the services of independent or third-party contractors or subcontractors (collectively, the "Contractors") in these chapter 11 cases, and FTI seeks compensation for the services, costs or expenses of the Contractors, FTI shall (i) pass through the cost of such Contractors at the same rate that FTI pays the Contractors; (ii) seek reimbursement for actual costs of the Contractors only; (iii) ensure that the Contractors are subject to the same conflicts checks as required for FTI; and (iv) file with this Court disclosures pertaining to such use required by Bankruptcy Rule 2014.

9. Notwithstanding anything to the contrary in the Application or the Simms Declaration, the services to be provided by FTI shall not be performed by any entity other than FTI and its wholly owned subsidiaries.

10. The entry of this Order shall not (i) impede the Court from directing relief with

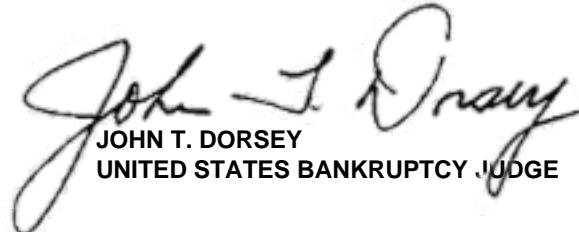

respect to the scope of professional services in the event an examiner is subsequently appointed or  
(ii) prejudice or otherwise affect the rights of the U.S. Trustee to object to FTI's post-petition request for compensation and reimbursement on any and all grounds.

11. FTI shall use its reasonable efforts to avoid any duplication of services provided by any of the Committee's other retained professionals.

12. If there is any inconsistency between the terms of the Application, the Simms Declaration, and this Order, this Order shall govern.

13. This Court shall retain jurisdiction with respect to all matters arising or related to the implementation of this Order, and the engagement of FTI in these chapter 11 cases.
